#### 4, To Whom It May Concern

##### Several more, 'probable' influences, were not included in my previous bibliography,

although I did not copy any word-for-word, significantly; it is possible that I gleaned some materials from the publications listed as follows. This is also gratefully acknowledged.

- 0, Armstrong K. *Twelve Steps to a Compassionate Life*. London: The Bodley Head; 2011. I did not read this work until after 'publishing' but may have been, well, affected by its blurb beforehand.
- 1, Cave P. *The Big Think Book: Discover Philosophy Through 99 Perplexing Puzzles*. [Kindle Edition]. North America, Great Britain and Australia: Oneworld Publications; 2015.
- 2, Chomsky N. *How the World Works*. [Kindle Edition]. USA / UK: Soft Skull Press / Hamish Hamilton; 2011 / 2012.
- 3, Krauss LM. *A Universe from Nothing: Why There Is Something Rather than Nothing*. [Kindle Edition]. New York: Free Press; 2012.
- 4, Loftus JW (Ed.). *The Case Against Miracles*. [Kindle Edition]. USA: Hypatia Press; 2019.
- 5, Nagel E, Newman JR. *Gödel's Proof*. [Kindle Edition]. New York: NYU Press; 1958.
- 6, Redfield J. *The Celestine Prophecy: An Adventure*. Hoover: Satori Publishing; 1993.
- 7, Reus-Smit C. *International Relations: A Very Short Introduction*. [Kindle Edition]. Oxford: Oxford University Press; 2020. I reached only about a third of the way through this before deciding to present my own take, for whatever that may become worth, if anything.
- 8, Siu-Fan L. *Logic: A Complete Introduction (Teach Yourself Series)*. [Kindle Edition]. UK: Hodder & Stoughton; 2017.
- 9, Syed M. *Black Box Thinking: Marginal Gains and the Secrets of High Performance*. UK: John Murray Publishers Ltd.; 2016. I forgot about this potentially effective work, too. Apologies. I shall try my best remembering in future... to repeat no such {identical} mistake(s)...
- 10, Villeneuve D. *Arrival* [Movie] (Writer) E Heisserer. : FilmNation Entertainment, Lava Bear Films, 21 Laps Entertainment; 2016. Based on Chiang T. *Story of Your Life* [Novella]. USA: Tor Books; 1998.

Thanks again, if so: for reading (with due diligence).

Anticipatorily, BDC...

**Ps.** This season, I'll be mostly learning...

- 11, Rosenberg MB. *Nonviolent Communication: A Language of Life (with Life-changing Tools for Healthy Relationships)*. Encinitas: PuddleDancer Press; 2015.
